SONIC THE HEDGEHOG™

Desde su debut en los años 90 como personaje principal de un videojuego, Sonic se ha convertido en el erizo azul favorito de grandes y pequeños.

Y no es de extrañar, su velocidad supersónica, su personalidad rebelde y su capacidad para hacer amigos mientras evita que el Dr. Eggman conquiste el mundo son cualidades únicas que conquistan todos los corazones, y las pantallas.

Since his debut in the 1990s as the main character in a video game, Sonic has become the favourite blue hedgehog of young and old alike.

And it's no wonder, his supersonic speed, rebellious personality and ability to make friends while stopping Dr. Eggman from conquering the world are unique qualities that win every heart, and every screen.

Sin dal suo debutto negli anni '90 come protagonista di un videogioco, Sonic è diventato il riccio blu preferito da grandi e piccini.

E non c'è da stupirsi: la sua velocità supersonica, la sua personalità ribelle e la sua capacità di farsi degli amici impedendo al Dr. Eggman di conquistare il mondo sono qualità uniche che conquistano ogni cuore e ogni schermo.

¿QUÉ ES SUPERMOMENTS RETAIL LAB?

Queríamos conocer de primera mano la realidad de los retailers para ofrecerles soluciones y mejoras que les ayuden a rentabilizar su negocio. Por eso en Cerdá abrimos el primer SuperMoments Retail Lab en Aqua, Valencia en 2018.

LA VIDA DEL RETAILER

Poniéndonos en sus zapatos hemos vivido la cuenta atrás para las rebajas, la ilusión por la vuelta al cole, la vorágine del Black Friday, la campaña de Navidad... y también experimentamos la incertidumbre ante el cierre, la evolución de la pandemia y la adaptación a la nueva normalidad.

LA EXPERIENCIA DE COMPRA

A través de los puntos de venta SuperMoments Retail Lab hemos observado que:

Los consumidores **adquieren los productos**, no por lo que son, sino por lo que **representan para ellos**.

Experimentamos el **potencial de lo visual**, las **gráficas** y su relación directa con el proceso de compra.

Comprobamos el poder de la venta cruzada y la importancia de **contar con empleados formados** en los puntos de venta.

Formaciones:

- **De producto** a través de vídeos para ayudarles a capacitar aún mejor a los equipos de venta.

- En **técnicas de venta y venta cruzada** para que saquen el máximo partido a su inversión.

- En **personajes y licencias** para que conozcan de primera mano el producto que ofrecen a sus clientes.

Fotos y composiciones de los lineales para que los puedan implantar en las tiendas de forma fácil y efectiva.

Calendario de implantaciones para planificar con tiempo las compras para cada temporada.

Recursos de marketing como cartelería, datos de ventas y argumentarios **bien trabajados** que pueden utilizar para captar la atención de sus clientes.

Cursos, webinars y jornadas que impartimos desde Cerdá para aprender técnicas, recursos y herramientas para sacar el máximo partido a su punto de venta.

Con el **Tour guiado por las tiendas** SuperMoments compartimos aquellos desarrollos que permiten vender más mejorando la eficiencia del trabajo para ofrecer al cliente final una experiencia enriquecida.

Venta complementaria
Equilibrio visual
Buena exposición
